

MATERIAL SAFETY DATA SHEET

ODORITE INTERNATIONAL, INC.

1530 Prospect Avenue, Kansas City, Missouri 64127
(816) 920-5000 (800) 654-1692

I. IDENTIFICATION

Product Name: **NICE AND CLEAN LIGHT SOAP**

Product Class: Anionic/nonionic blend-lanolinized

HAZARD RATING:

0 = Least

1 = Slight

2 = Moderate

3 = High

4 = Extreme

H (HEALTH): = 1

F (FLAMMABILITY): = 0

R (REACTIVITY): = 0

PERSONAL PROTECTION = 0

II. PHYSICAL/CHEMICAL DATA

Boiling point: N/A

Melting point: N/A

Color and odor: Aqua blue – fresh citrus fragrance

Vapor pressure: Unknown

Solubility in water: Soluble at any mix ratio and any temperature

Vapor density: Unknown

Specific Gravity @ 25 degrees C: 1.015 – 1.055; 8.6 – 8.8 #/gal.

CAS #: Mixture

III. FIRE AND EXPLOSION HAZARD

Flash Point (Closed Cup) : None – water based

Extinguishing Media: Carbon dioxide, dry chemical, or universal-type foam

Combustion Products: Sulfur dioxide and hydrogen sulfide

Unusual Fire or

Explosion Hazards: None known

N/A = Not Applicable

IV. REACTIVITY

This product presents no significant reactivity hazard. Hazardous polymerization will not occur. Normally stable even at elevated temperatures and pressures. Does not undergo explosive decomposition, is shock stable and is not an oxidizer. Does not form explosive mixtures with other organic materials.

AVOID STRONG OXIDIZING AGENTS AND STRONG ACIDS.

V. HEALTH HAZARDS

Contact: Accidental direct contact may lead to mild eye or skin irritation. None of the Ingredients are listed as known carcinogens. Based on health hazard determinations of ingredients present at concentrations of more than 1%, this mixture presents no known health hazards.

VI. FIRST AID

Eye Contact: Flush eyes immediately with large quantities of water for at least 15 minutes; obtain medical advise if irritation persists.

Skin Contact: May activate existing allergies. Wash affected area with water. If irritation persists, obtain medical advice.

Ingestion: Drink milk or water to dilute. DO NOT induce vomiting. Contact a physician immediately.

Inhalation: Remove from the exposure to fresh air.

VII. SPILLS, CLEAN-UP AND STORAGE

Spills & Clean-up: Eliminate all ignition sources. Absorb liquid spills on suitable absorbent material. Sweep up solids and dispose of in accordance with local, state and federal regulations. Flush area with water. Slippery when wet.

Storage: Store in a cool, dry, ventilated area away from any heat source. Keep containers tightly closed and in an upright position when not in use.

VIII. SPECIAL PROTECTION

Eye Protection: Generally none required during normal use and handling. However, exposure to eyes is not recommended.

Environmental Issues: It has been determined that this product is safe when used as directed and intended.
